2. Who found Andrea's wallet?
3. How did Abby get home?
4. What did John get?

## Around Town *by Nelson Hunter*

A few weeks ago, I was walking to my car in the parking lot, when someone came up to me and said he enjoyed reading my weekly column. "But," he said, "you always write about everyone's bad experiences. Why don't you ask people to talk about their good experiences, too?"

So I asked readers to write in and tell me about all the good things that happened to them recently. I got hundreds of replies. Here are three of them:

When I was shopping at the mall last week, I lost my wallet with all my money and credit cards in it. I spent a long time looking for it with no luck. I was really upset because it had my spare house key and my address in it, too. Anyway, later that day after I got home, my doorbell rang. It was a young man, and he had my wallet. Apparently, he saw it on the ground when he was walking into the mall. He drove all the way to my house to give it to me! I couldn't believe it! I was so lucky!

– Andrea Keane

I was coming home from a party really late at night, and I missed the last train home. I didn't have enough money for a cab, and I didn't want to walk home in the dark. I was standing outside the train station, and I guess I looked worried because a woman came up and asked me if I needed any help. She offered to share a cab with me and to pay for it! She said she didn't like being by herself at night, either. I was so grateful.

– Abby Walters

After class each week, I often go to the local donut shop and get some coffee before I go home. When I was leaving the store last week, the owner gave me a bag of donuts from the day before to take home for free. She said I was a good customer, and she didn't want to throw them out. When I got home, I shared them with my roommates!

– John Jones

So, thank you for all the letters. For next week, I want to hear about any funny stories you have. What funny things happened to you recently?

**B** Read the article again. Write *T* (true) or *F* (false) for each sentence. Then correct the false sentences.

1. Nelson Hunter usually writes about bad things that happen to people. T
2. Andrea was worried because if someone found her wallet, they could get into her house. \_\_\_\_
3. A young man found Andrea's wallet when he was leaving the mall. \_\_\_\_
4. Abby Walters had to pay for a cab home when she missed her train. \_\_\_\_
5. John ate the bag of donuts by himself. \_\_\_\_

## 2 Two unusual events

**Writing A** Read about two unusual events. Complete the stories using *when* or *while*. Sometimes both are correct.

① Years ago, when my friend and I were in middle school, we decided to write our names on a one-dollar bill for fun. We spent the money and forgot about it. Then, one night about 20 years later, \_\_\_\_\_ I was waiting for a bus, I saw a dollar bill on the street. I picked it up, and my name was on it. It was the same bill we wrote on! \_\_\_\_\_ I think of it now, I'm amazed!

– Ken Leonard, Los Angeles

② I had a strange experience a couple of months ago. It happened one night \_\_\_\_\_ I was sleeping. It was probably about two in the morning \_\_\_\_\_ I woke up to loud music. \_\_\_\_\_ I looked around, I saw that the radio was on. I clearly remember turning it off \_\_\_\_\_ I went to bed.

– Lisa Lee, Hong Kong

**B** Write about an unusual event that happened to you or to someone you know.
