

5 Phonics worksheet: t

Look, trace, and write. Say.

A vertical writing practice box containing a dotted line. It features several pairs of dots for starting points. The first pair is followed by a lowercase 't' with numbered arrows (1 for the vertical stroke, 2 for the horizontal stroke) showing the correct writing direction. Below this is a solid lowercase 't' with the same numbered arrows. The rest of the box contains dotted lines with starting dots for independent practice.
