

SCRAMBLED DIALOGS

Aim: Give Ss practice putting conversations in order and listening for correct answers.

Preparation: Make one copy of the worksheet for every two Ss.

Cut each copy into strips and put them in envelopes.

Have available the audio program for the Listening on page 81.

Comment: Use before the Listening on page 81. Use the audio program for the Listening.

- Ss work in pairs. Give an envelope to each pair.
- Go over any unfamiliar vocabulary.
- Set the scene and explain the task. One conversation is between Dr. Yun and Ryan. The other conversation is between Dr. Yun and Samantha. Ss arrange the strips to make two conversations.
- Ss complete the task in pairs. Then they join another pair and compare answers.
- Play the audio program for the first two conversations of the Listening on page 81. Ss listen and check the order of their conversations.
- Have groups practice the conversations, taking turns so that each S practices each part. Encourage them to memorize each part and then perform the conversations for the class.

SCRAMBLED DIALOGS

DR. YUN: How are you feeling today, Ryan?

RYAN: Not so great. I have a really bad earache.

DR. YUN: Let's take a look. Hmm. I'm going to give you some aspirin.

RYAN: OK. Anything else?

DR. YUN: Yes. Don't go swimming for a week.

DR. YUN: How do you feel today, Samantha?

SAMANTHA: A little better. But I have a sore knee. It really hurts actually.

DR. YUN: Hmm. Let me see. Yes. Well I'm going to give you some ice packs.
Put one on your knee every evening for a few hours.

SAMANTHA: OK. Thank you, doctor.
