*Point at the items in the picture. Your child says the words (chair, pencil case, desk, pencil, book, computer, T-shirt, shoe, crayons). Then say, e.g., Point to the desk. The child points. Give the child crayons and ask him/her to listen and choose the correct colors for the pencil cases. Play the song. The child chooses the correct colors and shows you, then colors the pencil cases in when the song has finished. He/She can also color the rest of the picture. Ask about the colors and encourage the child to make phrases, e.g., (I have) a purple book. Play the song again for the child to sing along and point to the different things in the picture.*
