

TEXT ON WHAT YOU HAVE DONE AND WANT TO DO

Before You Write

Read the descriptive paragraphs and complete the chart.

I have done two things I am really happy about. First, I've traveled to several countries. On these trips I learned a lot about other cultures. I also tried many interesting foods and made many friends. Second, I've found a job in a law office. This is good experience for me because I want to be a lawyer. Also, the salary is good and the people are friendly.

There are two things I've never done that I've always wanted to do. First, I've always wanted to travel to Egypt. I've never been there, but I love to read books and watch movies about it. I think Egyptian history is fascinating! Second, I'd like to learn to play the drums. I've always wanted to join a band because I think it would be a lot of fun. It's a good way to make some money, too!
