

DIRECTIONS

Answer the questions. Give directions.

1. How do I get from school to a drugstore?

2. How do I get from the drugstore to a supermarket?

3. How do I get from the supermarket to a bank?

4. How do I get from the bank to a coffee shop?

AROUND THE SCHOOL

A Think about places around your school. Where are they? Write three true statements and three false statements. Use the prepositions in the box.

across from	between	near	next to	on	on the corner of
-------------	---------	------	---------	----	------------------

1. The bank is across from the drugstore.

2. _____

3. _____

4. _____

5. _____

6. _____

B PAIR WORK Read your statements to your partner. Ask "True or false?"
For false statements, your partner gives true information. Take turns.

A: The bank is across from the drugstore. True or false?

B: False. It's across from the bus station.
