Unit 6 Grammar: Guidelines for parents and guardians

Ask the child about their favorite color. Give the child red, green, blue, yellow, orange, and purple crayons. Ask about the color of each one. The child colors the paint splodge in his/her favorite color and says the name (e.g., Red) or My favorite color is (red). Ask the child about their favorite animal. The child says the names of the animals, circles his/her favorite and says the name (e.g., Rabbit) or My favorite animals are (rabbits). or I like (rabbits). Ask the child about their favorite toy. The child says the names of the toys, circles his/her favorite and says the name (e.g., Doll) or My favorite toys are (dolls). or I like (dolls).

Print extra copies of the worksheet for yourself and/or the child's older brothers and sisters to complete. The child compares their answers with different family members and if possible asks, e.g., What's your favorite (color)?
