1. Dr. Hart: Hello, Liz! What's wrong?

Liz: I feel sick. I have a stomachache  
and a headache.

Dr. Hart: I see. Here, take one of these pills every  
three hours. And don't drink any coffee or soda.

2. Mr. Kent: What's the matter, Tara?

Tara: I think I have the flu.

Mr. Kent: That's too bad. Listen. Go home, take  
some aspirin, and rest in bed.

Tara: Thanks, Mr. Kent.

3. Nicole: Oh, I'm so tired. Every day is the same: work,  
work, work! I'm exhausted.

James: I'm sorry to hear that. Maybe I can help.  
Go home early. Listen to some relaxing  
music and don't work too hard.
