1.

Mark: So, how did you like the apartment?

Louise: Well, I liked some things. The kitchen has lots of room. I hate small kitchens! And this is an interesting neighborhood. It's very lively with all the students around.

Mark: Yeah, it is. I'm worried about the bedroom, though. I don't think we could manage with just one bedroom. Especially since your relatives come to stay all the time.

Louise: True. I guess we'd need to spend money on furniture, too, since it only has a sofa and a bed.

Mark: Right.

Louise: The price was good, though. Only \$600 a month – much cheaper than the other ones we've looked at so far.

2.

Louise: Well, that one had a huge living room.

Mark: Yeah. But it's pretty dark. I guess it doesn't get a lot of light because it's on the ground floor.

Louise: I think it'd be noisy, too. It's not a very quiet neighborhood, and there's a lot of traffic.

Mark: I guess that's why it's only \$700 a month. The kitchen was pretty small, too. I don't think there's room for a refrigerator.

Louise: That'd be a problem. I suppose we could put one in the living room.

Mark: Maybe. I was happy with the bedrooms, though. Two bedrooms would be great. We could use one as a study.
