### AudioScript

#### B

Listen to the radio host ask people about their best friends. Complete the chart.

##### 1.

*Host:* Here's Tony, our first caller. Who would you say is your best friend, Tony?

*Tony:* I guess it's my friend Bob. We get along really well.

*Host:* How did you meet him?

*Tony:* It was at a friend's birthday party last year.

*Host:* Oh, yeah?

*Tony:* Yeah. We were sitting next to each other at dinner and realized we had a lot in common. So, we kept in touch after the party, and we hang out together all the time now.

*Host:* What's he like?

*Tony:* Bob? He's really fun, and he has a great sense of humor. He's always telling great jokes and making people laugh.

*Host:* So, what do you two guys do when you get together?

*Tony:* Well, we sometimes go and see a movie, or sometimes we go downtown with other friends after work.

##### 2.

*Host:* Who is your best friend, Carla?

*Carla:* Oh, my girlfriend Maggie. We've been friends since we were in high school.

*Host:* Oh?

*Carla:* Yeah, we both used to play on the school softball team. That's where we first got to know each other.

*Host:* I see.

*Carla:* It's interesting that we're still such good friends because Maggie's a bit different from me.

*Host:* In what way?

*Carla:* She's very sociable and talks a lot about everything. I'm more of a listener, I think. Maybe that's why we get along so well.

*Host:* So, what do you two like to do together?

*Carla:* We love going shopping, and we like to take vacations together. Last year we went to Florida for spring break and had a great time.
