

Grammar worksheet: I'm/You're (happy).

Cut out the cards. Then play.

Unit 3 Grammar: Guidelines for parents and guardians

Help your child to cut out the cards (with child-safe scissors). You can play different games. Use one set of cards. Show the cards and practice the words (happy, sad, angry, scared). Turn the cards over. The child chooses a card, looks at the picture and keeps it secret. He/She mimes the feeling on the card. You guess, e.g., You're happy. The child says Yes or No. Or use two sets of cards to play a game of Pairs (place the cards face down and try to turn over a pair, saying the feeling each time, e.g., I'm angry). If you print two copies of the worksheet you can also play Snap! with your child.
