Basic description:

During today's session we will create a dove. We have to tell the pupils in advance to bring the necessary materials, in this case, paper plates, to make their work of art. We will start by presenting the artist Pablo Picasso. We will ask what facts the pupils know about him. Explain that *The Dove* became a symbol of peace internationally in 1949. After this short introduction, we will explain the steps to follow.

Lesson Plan:

First session: (15 min) Explain and talk to your children about Pablo Picasso.
(30 min) Steps 1-3 should be completed in the first session.

Second session: (30 min) Steps 4-6 should be completed in the second session.
(15 min) Close the session with a game related to the topic.

Game:

Play a word game with words related to peace. Ask pupils to get into teams and give each team a piece of paper. Ask them to think of words related to peace and words related to war, e.g. love, friendship, kindness, hate, enemies, fight, etc. Ask a pupil in each team to call out the words randomly and the class call out *Peace or War* depending on what the word relates to. Each team takes turns to say their words.

Learning Outcomes:

- ✔ Knows words related to peace and war.
- ✔ Makes three-dimensional works with different materials planning the process and choosing the best way of doing it.
