**Basic description:**

During today's session we will create a box of chocolates. We have to tell the pupils in advance to bring the necessary materials, in this case, mini cake cases and an empty box of chocolates, to make their work of art. We will start by presenting Peter Anton. We will ask what they know about this artist. After this short introduction, we will explain the steps to follow.

Lesson Plan:

First session: (15 min) Explain and talk to your children about Peter Anton.
(30 min) Steps 1-3 should be completed in the first session.

Second session: (30 min) Steps 4-5 should be completed in the second session
(15 min) Close the session with a game related to the topic.

Game:

Play a game related to nutrition. Write on the board two meals. Put the class into teams. Ask them to discuss the two meals and decide which is the healthiest, in terms of sugar, fat, protein and nutrients. Discuss as a class. The team which has the best answer, writes two different meals for the class to discuss in teams, and so on.

Learning Outcomes:

- ▶ Knows words related to nutrition.
- ▶ Makes three-dimensional works planning the process and choosing the best way of doing it.

Step 1

Make a chocolate out of plasticine.

Step 2

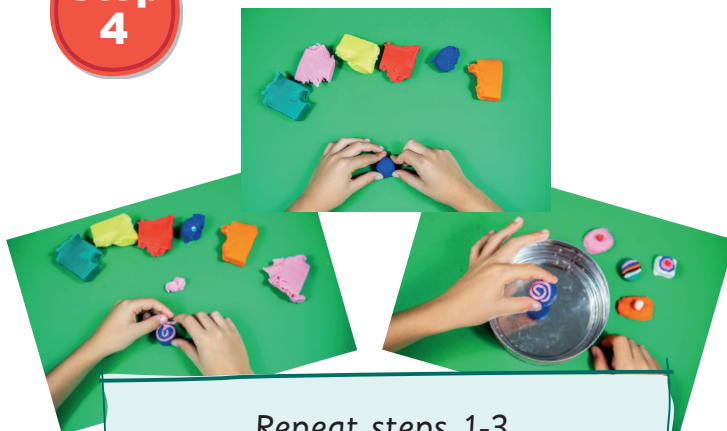

Decorate the chocolate.

Step 3

Put your chocolate into a box.

Step 4

Repeat steps 1-3.

Step 5

Bring home the box of chocolates and show it to your family. Be careful not to eat them!
