1 Hi, William

How are you? Guess what! My family's going to visit Seville next month. It's going to be great! My dad has been there before and he loved it. Seville's in the south of Spain, so it's going to be hot in June, but we are going to have fun! There are lots of things to do. Seville's got some beautiful buildings, interesting museums and some great parks, too!

My mum and brother want to see flamenco dancing, but Dad and I are going to ride bikes around Maria Luisa Park and see an amazing place, called Plaza de España, which has been in lots of films. We might go to a theme park, called Magic Island, too. It's got a super-fast rollercoaster! And Dad says that the food in Seville is delicious! I want to try the cold tomato soup.

See you at school on Monday,
Daisy

Track 05

When you can't sleep, you're always tired, and doing things is really difficult. But there are some things that you can do to sleep better. It's not a good idea to look at your computer and watch lots of TV in the evening. They can stop you sleeping! And it's a bad idea to eat just before you go to bed. Your body needs some time after eating.

It's good to sleep in a room that you like. Put things that you love near your bed, like a plant or your favourite toy. And your room mustn't be too hot or too cold. When you really can't sleep, it's a good idea to do more sport in the day. Sport makes you tired!

Track 06

Hi! I'm Jessie and I'm going to tell you about my favourite place in my house. It's my bedroom, of course! I've got a big bed with a purple blanket on it.

My cat, Lily, sleeps there a lot and I often find her black fur on the blanket! On the floor, there's a green rug with blue flowers.

There are three pictures on one wall and, on the opposite wall, I've got a big picture of a penguin above my desk. Penguins are my favourite animals!

My desk and chair are both orange. This is where I do my homework.

On the left and right of my bed, there are little cupboards. They're yellow.

On the cupboard on the right, there's a pink lamp ... and on the cupboard on the left, I've got a plant.

On the wall, above the plant, there are big red letters spelling my name. J-E-S-S-I-E.

I love my room! It's a happy place!
