Track 02

1

Man: Emma, what's your favourite food?

Emma: I like eating cakes! My favourite one is a chocolate cake, but it's different from other cakes. It has two parts and it is red on the bottom and white on the top! Many people in my country like it. It's very pretty and really nice!

2

Man: Paul, what sauce do you like to eat?

Paul: In my country, there is a lot of fruit, and I love mangoes. My dad cooks some fish, then he makes a sauce with mangoes, onions and tomatoes. It's orange and it's my favourite. Mmmmm!

3

Man: Charlie, what does your family like to eat?

Charlie: In my country, we eat a lot of pasta. When I go to my aunt's house, she makes pasta with sausages. We can choose the things for the top of it. I always choose yellow cheese, but my sister only has pasta and sausages!

4

Man: Lily, what do you like to eat at parties?

Lily: I really like ice cream. There are lots of different ones in my country, but my favourite is a green one. It's very sweet. I can't eat a lot of it, but my friend can!

5

Man: Jack, what do you like to drink after school?

Jack: My school finishes at three o'clock. When I go home, I like to drink tea. In my country, there is a famous flower, and people make tea with it. The flower is a blue colour; when we make the drink, it's that colour, too!

6

Man: Clare, what do you like to eat at weekends?

Clare: At the weekend, I go to my grandparents' house. They live on a farm and they grow lots of different kinds of potatoes. Every Sunday, my grandma cooks a big dinner for everyone, and in the centre of the table, there is a big plate of purple potatoes.

Track 04

Hi. I'm Aria. It's raining today, so I'm making a list of six new things I want to do this year. Do you want to hear it?

Number 1. Do you know that really big, old tree in the park? The one with purple leaves? I want to climb it and have a picnic lunch up there.

Number 2. There are some ducks that live in my garden, and I think they have cold feet at night! I want to build a small house for them. They can sleep in it.

Number 3. I want to learn to make ice cream. It's my favourite food! Then I can make chocolate ice cream for my friends.

Number 4. My sister says there's a box of old treasure near here. The box is in the forest. I want to go there with her and find it!

Number 5. I want to swim with dolphins because they like to play games and jump in the sea. I think they're fantastic!

Number 6. I want to go outside when it's raining, and get really wet. Then I want to have a hot shower. Wait, I can do that now! Bye-bye!

I really LOVE weekends! On Friday mornings, I go to the bus station in Alexandria with my aunt and uncle, and we take the bus to Cairo to see Azzizi. We have great fun every weekend.

On Friday afternoons, we go water skiing on the River Nile, and at seven o'clock in the evening, we watch TV.

On Saturday mornings, at eight o'clock, Azzizi and I go to the pool at the sports centre. He's a brilliant swimmer!

In the afternoons at two o'clock, we go to the cinema with the family. After that, we have a big picnic at six o'clock in the evening next to the River Nile. We eat lots of pancakes and drink milkshakes. They are our favourites! Weekends are the best!
