Katy: I'm just finishing my homework. I have to write about the job I want to do when I'm older.
Boy: Oh ... well that's easy. You want to be a pilot, don't you, Katy?
Katy: No, I don't! I wanted to be a pilot before, because I like travelling. But I don't like flying very much. So I've got another idea now. I want to be a firefighter.

Track 06

I really love dinosaurs. I've got a toy dinosaur called Max. I have lots of books about them, too, and I know they lived in ancient forests. I would really like to have a pet dinosaur. The problem is that there aren't any dinosaurs living now. So my mum said, 'How about getting a pet that looks like a dinosaur instead?' I thought that was a great idea, so I decided to get a pet lizard and a pet tortoise. They both look a bit like a dinosaur because they don't have fur. Their skin is really cold and dry.

My lizard is called Fred and he's quite small. My tortoise is bigger and she's called Pat. I have to keep them warm because lizards like Fred often live in deserts, and tortoises like Pat often live in jungles.

Fred and Pat like eating fruit and vegetables. I feed them two times a day. I think that Fred and Pat are great! They are very friendly and they are beautiful. Fred has black spots on his tail and Pat has brown stripes on her shell. They aren't dinosaurs, but they are my best friends!
