## Practice

**A** Classify the jobs in your vocabulary log. What do you think their salaries are? Write \$ for *low salary*, \$\$ for *average salary*, or \$\$\$ for *high salary*.

**B** Choose a job from your vocabulary log. Write an ad for the job. Include qualifications, but do not write the name of the job.

Can you ride horses, do handstands, and jump from high places?
Are you unafraid of fights, high-speed car chases, and fires?
Then our movie studio wants you.
Call us at 555-8365.

**C PAIR WORK** Exchange ads with a partner. Read the ad and guess the job.
