Cathy is a young white cow. She lives with her mom on a big farm. There are horses, sheep, and chickens. There are also lots of flies. "Ouch, Ouch! Ouch! Go away!" "Use your tail," says her mom. But Cathy's tail is very short, and the flies are not scared of her.

One day she tells a friend about her problem. "Follow me!" says Little Horse, and he jumps into some black mud. "Come on! Jump in!" he shouts.

When Cathy stands up, her beautiful white coat is very dirty.
 "Look!" the young cows laugh. "Cathy has big black spots!"
 Suddenly, lots of flies come from behind the house.
 "Run!" says Cathy's mom.
 "Hide!" shout the young cows.

When the flies go, lots of the young cows have bites.
 "Ouch!" they cry. "Ouch!"
 "I don't have any bites!" laughs Cathy. "Thank you, Little Horse."
 Now lots of white cows have black spots, so flies don't bite them.

 then catch it, and kick it, and throw it for fun."

 Rob throws the ball here, Sue runs for it there.
 But the ball hits the clock on the wall by the door,
 and down comes the clock, hits the mat on the floor.

And Rob says, "I'm sorry, very sorry for that."

At the beach.

Next to the sea.

I'm having fun.
I'm taking pictures in the sun.

Oh, we can play. We can play,
At the beach in the sun.
We can play. We can play,
At the beach in the sun,
The beach in the sun.

In a boat on the sea,
Dad's fishing, next to me.
We have two shells,
And seven fish,
And a purple jellyfish.

Oh, we can play. We can play,
At the beach in the sun.
We can play. We can play,
At the beach in the sun,
The beach in the sun.

Oh, we can play. We can play,
At the beach in the sun.
We can play. We can play,
At the beach in the sun,
The beach in the sun.
The beach in the sun.
The beach in the sun.

The monkey and the shark

In Africa there is a big coconut tree. It is next to the sea and a town. Every day a monkey goes and eats its delicious coconuts. Every day he gives some to a shark.
One day, the shark says, "You are very nice to me. I would like to invite you to my house."
"But I don't go in the sea," says the monkey.
"No problem," says the shark. "Jump on my back!"
The shark swims away with the monkey.
"At home our king is very ill," the shark says.
"He needs a monkey's heart to make him well."
The monkey thinks for a moment.
"Oh, no!" he says. "I don't have my heart with me. When I go out, I put my heart in the tree."
"No problem," says the shark. "Let's go back and get it!"
They go back to the tree and the monkey jumps off the shark's back.
"Wait here," says the monkey.
The shark waits and waits ... and waits ... and waits.
"What are you doing?" the shark shouts. "Let's go!"
"No way!" the monkey shouts back.
"You're not tricking me again! I need my heart!" and he runs away laughing.
