

Where do you go when
you want to catch
a bus?

Which month comes
before April?

Where do you stand
before you get on
the train?

Which month comes
after September?

This is a very big, long
road with a lot of
fast traffic.

Which is the twelfth
month of the year?

People who travel by
plane, taxi or train

If you don't use stairs
in a building this takes
you up and down to
different floors.

Which is the eighth
month of the year?

Trains move on this
when they go from one
place to another.

This is very dry land.
There's usually a lot of
sand and no water.

This is a lot of water.
It's bigger than the sea.

This is smaller than
a rock. It's hard.

This is a group of trees.
It's smaller than
a forest.

This is smaller than
a mountain. We can
go up or down it.

We use this to see in
the dark when we
go camping.

This is hot. We can
make one when we go
camping to cook.

We put our clothes in
this when we travel.

This is moving water. It's
smaller than a river.

This is a kind of
notebook with dates.
We can write about our
lives in it.

A competition where someone asks questions

A musical instrument which we hit to make a loud noise

People run or cycle very fast to win this.

The place where actors stand, walk and speak in a theatre

Something which you win in a game or competition

Someone who comes first in a race.

A group of 11 people to play football. What is it?

What you do with the ball when you play volleyball

We go to one of these to listen to musicians play on a stage.

Something musicians use to play music

**Your room is untidy.
What must you do?**

**What's the opposite
of early?**

**Someone who looks
after us in hospital**

**A very small road in the
forest or jungle**

**Someone who helps us
to look after our teeth**

**How many minutes are
there in an hour?**

**When you go for
something and bring
it back**

**How many hours are
there in a day?**

**If you want to send a
postcard you need this.**

The opposite of mid-day

The season after autumn

The season before
summer

When there's a lot of fog
it's very

The season between
spring and autumn

The opposite of cool

You have to make a big
one of these to make
a snowman's head.

Name 2 winter sports

You wear these on your
hands when it's cold

When there are a lot of
clouds it's very...

A small lake. You can
sometimes see one in
a park.

of entrance?**

**At night, we see the
moon and during the
day we see the ...**

**What's the opposite
of turn on?**

**We use this to look at
stars and planets**

**These are used to make
rockets fly**

Another word for rocket

**Someone who explores
space**

**How many years are
there in a century?**

What do we use to
eat spaghetti?

This is made of fruit
and sugar. We eat
it on bread.

This is used for
cutting meat

This is made from milk.
We mix it with flour to
make cakes.

This looks like sugar
but it isn't. We put
it on our salad

This is in the kitchen.
We use it to cook food.

These look like black
grapes but they aren't.
You put them on pizzas.

We use it to bake bread,
cakes and pizza.

Bees make this and we
can eat it in yoghurt.

These are used for
mixing a salad
