

Plan

Pair work Imagine this is your house. Write what you would use each room for. What furniture do you need in each room?

Prepare

A Group work Design your dream home. Use these questions to help you.

How many rooms are there?

How will each room be used?

What furniture do you need in each room?

What else does the home have?

B Group work Draw a floor plan of the house or apartment. Then each person chooses one room to design.

Present

Class activity Tell the class about each room in your dream home. Explain why you chose the furniture and location.
