

# 1 The treasure

There were lots of pirates in the Caribbean Sea from around 1500 until the 1700s. The pirates robbed lots of ships, but they didn't always steal gold coins and jewels. Very often they stole food, water, weapons, and clothing. They even stole things like soap, ropes, and anchors. Sometimes they would keep the ship that they captured and then sell it. On other occasions, they kept the ship because it was better than theirs.
