

Plan

Think about places where you eat, shop, or do business. Which are very good? Which are very bad? Based on your experiences, write the three best and worst places.

The Best

1. _____
2. _____
3. _____

The Worst

1. _____
2. _____
3. _____

Prepare

A Group work Find out the best and worst places in your city or town. Choose at least five categories (e.g., *pizzerias*, *coffee shops*, *Internet cafés*, *music stores*). Then write a questionnaire. Remember to leave space for answers and comments.

Start with this question:

What do you think is the best . . . ?

B Group work Ask at least ten people to complete your questionnaire. Be sure to give them enough time to answer the questions and write their comments. Then make a poster to display the results of each category.

Present

Class activity Share your poster with the class. Explain the results and read the most interesting comments.
