

WHAT PLACE DO YOU RECOMMEND?

Aim: Give Ss practice making recommendations.

Preparation: Make one copy of the worksheet for every S.

Materials: None

Plan

- Give each S a worksheet.
- As a class, brainstorm types of services. If necessary, refer Ss to the Snapshot and the Perspectives on page 58 of the Student's Book for ideas.

Prepare

A

- Divide the class into small groups.
- Explain the task. Each group chooses a service and finds information about places in their community that offer that service.
- Ask groups to use magazines, newspapers, or the Internet to find places that offer the service.
- Have the groups write questions to ask the people who work in the places.

B

- Outside of class, Ss call or visit the places.
- In the next class, Ss discuss the results and make a recommendation.
- **Option:** Have Ss create an ad for the place.

Present

- Have groups share their recommendations with the class. Remind them to explain why they chose the place.
