

6

Phonics worksheet: blended m

Look, trace, and write. Say.

mom

map

The illustration shows a woman on the left and a map on the right, connected by a curved line. The woman is wearing a striped sweater with a large 'm' on it and a plaid skirt. The map is a grid with several 'm' characters scattered across it. The words 'mom' and 'map' are written vertically in a simple font next to their respective illustrations.

m

Tracing practice for the letter 'm'. It features a large lowercase 'm' at the bottom. Above it, there are two rows of smaller lowercase 'm's. The first row shows the letter with numbered arrows indicating the stroke order: a downward arrow for the first vertical stroke, and two upward arrows for the second and third vertical strokes. The second row consists of five dotted lowercase 'm's, each with a starting dot at the top of the first vertical stroke, for tracing.
