Dialect Variation - Natalie Schilling-Estes

American Dialect Society

<http://www.americandialect.org/>

Vowels of British and American English

Clickable vowel charts

<http://faculty.washington.edu/dillon/PhonResources/vowels.html>

Varieties of English

Descriptions of distinguishing characteristics of many varieties of English, with sound samples

<http://www.ic.arizona.edu/%7Elsp/>

Canadian Raising

Explanation of phonological process characteristic of many Canadian varieties (“Out and about”)

<http://www.yorku.ca/twainweb/troberts/raising.html>

Language Varieties

Descriptions of varieties of English spoken around the world

<http://www.uned.edu.au/langnet/>

International Dialects of English Archive

Sound files of native and non-native speakers of English from around the world reading one of two passages. Intended for actors but a great resource for linguistics students.
