

**Words and their parts - Donna Lardiere**

In addition to the exercises to be found in the morphology textbooks cited in the ‘suggestions for further reading’ section of the chapter, there are many good exercises to be found in the following workbooks:

- Cowan, W. & Rakus, J. (1998) *Source Book for Linguistics*. Philadelphia: John Benjamins.
- Farmer, A.K. & Demers, R.A. (2001) *A Linguistics Workbook*. Cambridge, MA: MIT Press.

A comprehensive glossary of morphology terms may be found in the following book:  
Bauer, L. (2004) *A Glossary of Morphology*. Washington, DC, Georgetown University Press.
