Notes:

¹ For ascribed numbers, see CUP Online App. 1, section 4.1.

² For twenty-nine hospitals in Devon and Cornwall said only to have been founded before 1307, see CUP Online App. 1, section 4.2.

³ These figures may undercount the number of houses closed in the 1530s and exaggerate the number shut in the 1540s and 1550s, due to the way in which "last reference" dates were entered into the database (see CUP Online App. 1, section 3).
