

Group 3 Role Card**Business executive**

Years of education: **18**

Income this year: **INR 45,00,000 (45 lakhs)**

Total wealth (all assets): **INR 2,50,00,000 (2.5 crores)**

Age: **54**

You have worked your way up the corporate ladder and are now responsible for running a division in XYZ Company with a large factory and annual sales of 100 crores. You typically work 12 hours a day and must travel for extended periods. The factory employs 2,000 people, many of them in unskilled jobs. It is difficult to find new workers in your region without substantially raising wages. You would like to become the company president some day. Your spouse does not work and you have one daughter who is studying in an under-graduate liberal arts program in the USA which cost INR 25 lakhs a year in tuition fee.
