Writing - Jeff Connor-Linton

Omniglot
Perhaps the most comprehensive website on writing systems; includes links to many sources for each language
http://www.omniglot.com/

African Writing Systems (Cornell University)
http://www.library.cornell.edu/africana/Writing_Systems/Welcome.html

AncientScripts.com
List of links
http://www.ancientscripts.com/links.html

Minnesota State University e-museum
Includes the story of the Rosetta Stone and a hieroglyphics tutor
http://www.mnsu.edu/emuseum/prehistory/egypt/hieroglyphics/heiroglyphics.html

Simple Spelling
The spelling problems of English and many proposed 'solutions'
http://www.pnx.com/gator/simpspel.htm

The Scramblizer
A sidenote in this chapter mentions the idea that the order of letters in English words does not matter. This site lets you test this hypothesis by scrambling your favorite web pages.
